

WHAT IS THE NY HELPS PROGRAM?

The New York Hiring for Emergency Limited Placement Statewide (NY HELPS) is a temporary program established to address recruitment and staffing challenges in the public sector. For the duration of the program, qualifying and approved competitive class job titles will be classified as non-competitive. This statewide program temporarily removes NYS Civil Service Exam requirements for approved titles. This means that candidates will not be required to take the NYS Civil Service Exam for these titles and can be eligible for consideration by meeting the minimum qualifications as stated in the job posting/job specification for each title.
