

**Sullivan County Division of Public Works is seeking a:**

## **MOTOR EQUIPMENT OPERATOR**

This position performs routine manual duties in connection with the operation of motor equipment at the apprentice skill level. Specific directions are received from a superior, but the incumbent is responsible for the safe and economical operation of their equipment or assigned tasks. A motor equipment operator will occasionally lead in performance of manual activities. Incumbent will operate several types of motorized equipment, including single axle straight trucks at or over 26,000 lb. G.V.W., and perform a variety of manual tasks in connection with such operations.

The incumbent must possess thorough knowledge of the operation of trucks and other automotive equipment; ability to understand and follow oral and written directions; ability to acquire skill in operating special or unique types of equipment, such as snow plows, etc.; ability to operate several types of motorized equipment, including single axle straight trucks at or over 26,000 lb. G.V.W., truck with plow, wing and sander; mechanical aptitude; dependability; physical condition commensurate with the demands of the position.

Candidates must possess Two (2) years' experience in road, bridge or building construction or maintenance or solid waste operations and demonstrated competency in the operation of several types of motorized equipment, including single axle straight trucks at or over 26,000 lbs. G.V.W.

*Special Requirements for Appointment: Possession of a valid Commercial Driver's License with a "B" Classification (CDL-B).*
