

Sullivan County Public Health Services is seeking to fill the following position:

**PUBLIC HEALTH NURSE – PER DIEM**

This is a professional nursing position responsible for providing nursing assessment and education to clients in the community, public health clinic setting and in the home setting. Incumbent assists in providing guidance to Community Health Nurses (Public Health) and Registered Professional Nurses. The incumbent will be expected to be available for immunization and flu clinics, emergency preparedness drills and response to communicable disease outbreaks and case investigation; may provide training for naloxone administration and other training needs of staff and community members or first responders.

Minimum Qualifications: Licensure and current registration to practice as a Registered Professional Nurse in New York State and a Baccalaureate Degree in Nursing from a regionally accredited or New York State registered four (4) year college or university and two (2) years clinical experience in home care, acute care or a field related to public/community health.

NOTE: Please submit proof of degree with application.

Salary: \$44.03/hour

Please send your application, \$10.00 exam fee and resume to:
