

Sullivan County Public Health Services is seeking to fill the following position:

DEPUTY PUBLIC HEALTH DIRECTOR

This position involves responsibilities for assisting in the administration and supervision of the County Public Health Department providing a variety of public health programs and services in the County. Work is performed under the Public Health Director in accordance with Public Health Law, New York Codes of Rules and Regulations, and established policies and procedures. This position provides administrative oversight for all programs in the Department. Supervision is exercised over professional staff and clerical support staff assigned to the Agency. Incumbent has complete charge of departmental operations and direction of personnel in the absence of the Public Health Director.

MINIMUM QUALIFICATIONS: Either:

- (A) Graduation from a regionally accredited college or university, or one accredited by the New York State Board of Regents to grant degrees, with a Master's Degree in Public Health, or a related field, and two (2) years of public health administration or health care administration experience; or
- (B) Graduation from a regionally accredited college or university, or one accredited by the New York State Board of Regents to grant degrees, with a Bachelor's Degree in Public Health, Nursing, or a health-related field, and four (4) years of experience as described in (A) above.

SALARY: TBA
