

The **Sullivan County Department of Public Works** is seeking to fill the following position:

**RECYCLING COORDINATOR**

This position involves the responsibility for developing, maintaining and implementing a recycling and materials recovery plan and program at the County level that will result in the reduction of the municipal solid waste stream. The work also requires creative communication and public education skills in addition to the ability to work with local municipal governments in establishing recycling programs. General supervision and direction will be received from the Commissioner of Public Works with leeway allowed for exercise of independent judgment. Does related work as required.

MINIMUM QUALIFICATIONS: Either:

- (A) Possession of a Bachelor of Science Degree; or
- (B) Possession of an Associate's Degree, and two (2) years of acceptable experience in performing administrative duties, including implementing and improving existing or proposed components of an organization, including or supplemented by experience in developing, directing, or carrying out public relations activities; or
- (C) Four (4) years of experience as described in (B) above; or
- (D) An equivalent combination of training and experience as described in (A), (B), (C) above

**SALARY: Entry: \$33.4450 per hour**
