

The **Sullivan County Department of Community Services** is seeking to fill the following position:

ASSISTANT SOCIAL WORKER II

This position involves the performance of para-professional social work and counseling duties in helping with social, emotional and related difficulties. Work is performed under supervision of a professional social worker on a consulting or direct supervisory basis. Incumbents of this position will usually perform job duties more independently than Assistant Social Worker I's. Employees in this class are expected to meet with professionals or agencies in or outside of the facility to obtain assistance and guidance for patients.

MINIMUM QUALIFICATIONS: Either:

- (A) Graduation from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees with a Master's Degree in psychology, sociology, or other behavioral sciences field; or
- (B) Graduation from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees with a Bachelor's Degree and two (2) years of experience in providing para-professional social work services to persons adjusting to illness or disability.

NOTE: Behavioral Science is a sub-set of social sciences including such majors as psychology, sociology, counseling, social work, anthropology, or similar fields. The social sciences are those sciences concerned with human beings living in relation to others in a social environment. The social sciences include study in such things as the behavioral sciences, economics, history, political science, geography, etc. For the purpose of this specification, only a degree in behavioral sciences will be considered as qualifying experience.
