

Sullivan County Division of Health and Family Services is seeking to fill the following position:

COMMUNITY HEALTH COORDINATOR

This is a professional position responsible primarily for coordinating the health promotion efforts of the Division of Health and Family Services. A substantial portion of the incumbents duties shall include collaborating directly with Department of Public Health Services and responsibility for researching, planning, implementing and evaluating community health initiatives and programs to improve the health and wellness of the community. Work is performed under the supervision of the Commissioner of the Division of Health and Family Services, with wide leeway for using independent judgment in accomplishing objectives.

MINIMUM QUALIFICATIONS: Either:

- (A) Graduation from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degree with a Master's Degree or higher in Public Health (MPH) or a related field, preferably with a concentration in Health Promotion; or

- (B) Graduation from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees with a Bachelor's Degree in a field described in (A) above and two (2) years of administrative experience in a health related organization or government agency that demonstrates that the candidate possesses the knowledge and skills necessary to perform the duties contained herein.

Note: Related fields include public health nursing health administration, community health education, or environmental health.

Salary - \$52,707.00 entry rate, \$55,481.00 full rate

This position is a competitive position which is subject to civil service examination.
